## ARRIVAL INSTRUCTIONS

### To all artists and artists' agents – please forward as appropriate

We are all very much looking forward to your arrival and involvement at this year's festival.

When arriving, all Morris/Display teams need to report to the **Bulverton Campsite** as their first 'point of contact'. Here you will receive all relevant passes and any further information regarding your stay with us. Bus passes may also be purchased.

- Your individual tickets will be in envelopes within the Side pack.
- You can only collect your own ticket & camping pass.
- There will be an Artist Pack with any updates which the named contact for the side should collect.
- Please leave a contact number so we can contact you if there are any queries.

### Venue Facilities And Staff

Notes detailing venue PA Specs (where appropriate), key staff and information on access/ parking etc will be available on the website from 20th July. Hard copy will be available to collect at Artist Reception on arrival.

It is obviously very important to let us know if you have been delayed on your journey to Sidmouth, especially if you are committed to a performance that same day. Therefore if you encounter any difficulties please would you let the Festival know ASAP by contacting one of the following people:

**Alan Bearman** 07855 254172      **Tash Daly** 07946 401178

The map overleaf details the major road links into Sidmouth and highlights the Artists' Reception building. However, should you have any problems, please don't hesitate to call one of the above.

A3052 via Newton Poppleford

Coming via Honiton  
A303, then A375  
via Sidbury

**Artists' Reception** is at Sidmouth C of E Primary School (Vicarage Road Site)  
Vicarage Road, Sidmouth, EX10 8UG. Marked in green on the map above. Landline: 01395 572945

If you head in to Sidmouth on the A375, the Vicarage Road site is on your left. Please note the school has two other sites, Woolbrook Road & Manstone Avenue (the blue & red dots) which are **not** being used by the festival.

There is limited parking available at the school for collection of artist packs. Turning space is quite tight for large vehicles so **if you are travelling with a caravan or motorhomes, it may be easier if you go to the campsite first before collecting your tickets.**

**TRAFFIC WARNING** - Please note that this one of the busiest weeks of the year on the roads. Friday and Saturday are predictably very slow and roads particularly the M5 are subject to major delays. If you are performing on the day you travel please allow far more than time than you would usually. We have had several artists miss or be very late for gigs in recent years. Should you have any problems, please don't hesitate to call us: Alan 07855 254172 / Tash 07946 401178
