

# DancerSmash!

Smash together the name of a rapper team with the answer to the question...

For example:

*"A rapper team that used to be Prime Minister of the UK?"*

Theresa May-bel Gubbins

Notes:

- We're going for names that "sound right", but are not necessarily spelled correctly. See above, May-bel Gubbins.
- We'll accept equally-good-but-different answers (e.g. Gordon Brown-Shoe Rapper, Clement Attleeding Edge - but it has to be a rapper side, you can keep your Churchilltern Hundreds.)
