DERT2015-Stepping [M]	A few barely even noticable mishaps - particularly when Tommy joins in.	(15 Max) 13
DERT2015-Buzz Factor [M]	Great work on the buzz, people really paid attention.	(15 Max) 15
DERT2015-Presentation [M]	Immaculate.	(15 Max) 15

DER2015-Music [M]	Good driving tune, giving emphasis to dance. Was a little loud over Tommy at times & a shame about the ending.	(15 Max) 9
DER2015-Stepping [M]	Loud and confident stepping with good variety. Double stepping slightly syncopated but good to see a challenging step. <del>Some timing on jump &amp; walking slightly out</del>	(15 Max) 11
DER2015-Buzz Factor [M]	Had drive and energy, good loud stepping, gave impact - try to maintain a drive in the movement through all the figures	(15 Max) 11
DER2015-Presentation [M]	Smart kit and great sparkly safety pants. Would be good to see musician in same kit. Confident performances, just an error with timing at the end.	(15 Max) 11
DER2015-Characters [M]	Great outfit, a little difficult to hear over the music and dance.	(10 Max) 6

DERT2015-Buzz Factor [M]	Driving music and some driving movement + percussive stepping generated some buzz	(15 Max) 11
DERT2015-Presentation [M]	Music ended prematurely. Smart kit	(15 Max) 11
DERT2015-Characters [M]	Conny intro but volume of guitar & fiddle meant not all jokes were heard.	(10 Max) 7
