

Faversham Hop Festival 2018 Dance Orders and Information

Dear dancers,

Please find below some information which I hope will help you orientate yourselves around Faversham. **The A251 is closed coming into Faversham so please enter via the A2.**

Camping: Will be at the Abbey School on the field (London Road, Faversham ME13 8RZ). There will be a designated area for dance sides and you will be asked to check in at the security station before you are allowed entrance to the field. For those that have not attended before, follow the road into the school grounds, turn left at the bottom and drive between the buildings to get to the field at the back of them.

Showers will be available in the sports centre, the security team will be able to provide you with details of opening times. There will be porta-loos on the site and a small set of permanent toilets are available next to the school. There is a stand-pipe for water but nowhere to dispose of chemical loos. Entrance to the site will be from **4pm** Friday and you must be vacated by **11am** Monday.

Parking: If you are not camping, you will be given free parking at the parking area next to the Abbey Sports Centre (London Road, Faversham ME13 8RZ). Let security know which dance side you are with, they will check off your registration number with the list provided by your team prior to the event. Parking entrance is at the bottom of the road, past the sports centre on the right.

Disabled badge holders: Parking in town by pre-arranged permit only.

Please see below a map of the town, the green dashed lines highlight alley ways and the arrows are the quickest routes to the dance spots. I recommend you use the alleys to move between dance spots. Dance schedule is provided on separate pages below with a parade order.

If cash has been requested, payment for your dancing will be given after the parades on Saturday and Sunday (depending on which day you attend) and can be collected from the Candy Rock Events stall next to the stage in the Hoppers Market (Central car park) between midday and 4:30pm – **YOU MUST PRESENT YOUR SIGNED COPY CONTRACT TO BE COMPARED WITH THE ONE YOU SENT US BEFORE CASH WILL BE RELEASED.** Parade start times are 11.30am Saturday and 10.30am Sunday. Both parades finish for you at the Market Place stage in the centre of town, although it will continue to the Shepherd Neame stage in Court Street on Sunday for a Hop Blessing. Sides will not be required to dance by the centre stage this year.

Dancing spots will be at the entrance to the market area on Stone Street and outside the Post Office on East Street. Can I ask that Saturday dancers ensure that the ramp to the Post Office is not obstructed during their opening times.

There will be porta-loos next to both dance areas. The directors have been made aware of issues in previous years at the Post Office so hopefully there won't be any more problems.

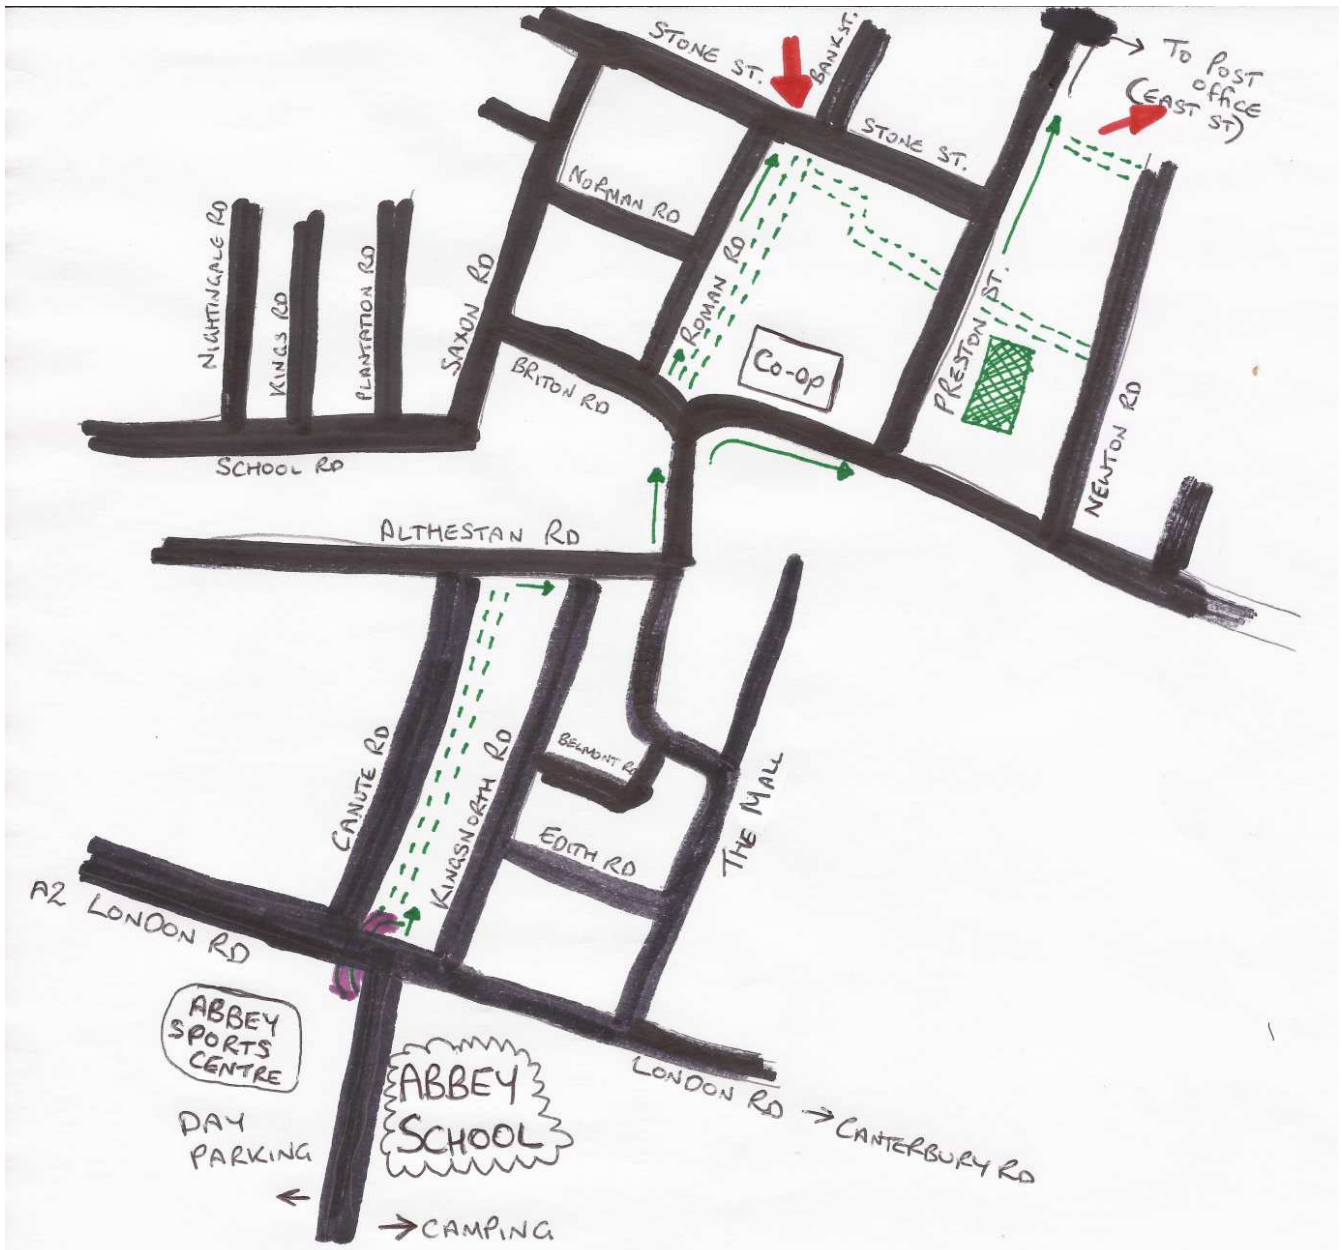

Any issues, give me a call on 07941 960209. I will be dancing so leave a message or text and I will get back to you as soon as I can.
